

**Född:**

Corneile van Beverloo, 1922, Liège, Belgium

**Utbidning:**

Studied drawing at Ars Academy in Amsterdamm.

**Övrigt:**

As a painter Corneille is self-taught. He held his first one-man exhibition in Holland, 1946. In the same year, Corneille visited Paris for the first time and he permanently settled there in 1950.

When the COBRA group was formed in Paris 1948, Corneille was one of the foremost figures. This group existed till 1951 and has been of the highest importance for the evolution of modern painting.

Corneille's works have been shown in museums and galleries on all continents, solo as well as COBRA group exhibitions. His art is represented in most museums of modern art.
